

9<sup>th</sup> February 2017

Dear Parents/Carers

### **IMPORTANT MESSAGE REGARDING SCHOOL DINNERS**

We are writing to advise you that North Borough Junior School will be using a new system to record school dinners from the beginning of next term (20<sup>th</sup> February 2017). In order for this to work we will **no longer be able to provide children who do not normally have daily school dinners with a dinner.**

Your child/children will either have to have school dinners on set days of each week or they will need to bring in a packed lunch every day. If your child only has one dinner a week on the same day that will be alright as they will not be able to change the day it has to be the same one.

In the past the school has been quite flexible in letting children have school dinners on odd days, but we will no longer be able to do this.

Please find below a form for you to fill out , we ask that you fill in the days your child will be having school dinners/packed lunches, remembering that this will be the format for **each week**. If at any time your child wishes to change, you will need to let the office know.

We would like to remind you that all school dinners should be paid for in advance at the beginning of each week on Monday mornings.

The cost of dinners for next term if you pay termly will be £64.50.

If you have any queries, please do not hesitate to contact me.

Yours faithfully

Mrs Head (Bursar)
