

Year 5 Victorian Day
Wednesday 8th February

Dear Parents and Carers,

For the last two terms, Year 5 has been learning about the Victorians in their Creative Curriculum lessons. As a nice way to end the term, the children will be taking part in a History themed Victorian Day on **Wednesday 8th February**. The activities planned for the day include traditional Victorian schooling with handwriting practise, rote learning their times tables, drills on the playground (PE), sewing, technical drawing and cooking.

Victorian clothing can be worn on Wednesday for the whole day.

If you have any concerns or questions, please speak to your child's class teacher.

Yours faithfully,

Miss T. Daly and Miss H. Slattery
Year 5 teachers
